Campus Tours

Summary

Information about campus tours

General Campus Tours

Tours of our main Asheville Campus on Victoria Road are offered approximately twice a week. These outdoor walking tours meet in the K. Ray Bailey Student Services Building (building #5 on the campus map) and usually last about 90 minutes. You'll join a small group of other prospective students exploring campus together.

You can make an appointment by selecting "Individual Tour" at abtech.edu/campus-tours.

Group Tours

A-B Tech also welcomes groups from educational institutions or community agencies to visit our campus. An online scheduler for group tours is available by visiting abtech.edu/campus-tours.

Special Accommodations

If you need accommodations for a tour, contact the Disability Support

Services Office at supportservices@abtech.edu.

Individual Department Tours

To tour an individual academic department (such as the Culinary Department), you'll need to contact the Department Chair within the specific department. Please call us at (828) 398-7900 or email us at info@abtech.edu, and we can connect you with the appropriate person to schedule a department tour.
