

Veterans' Educational Benefits

Summary

An overview of Veterans' Educational Benefits at A-B Tech

Overview

Our Veterans' Advisor is Sarah Mau, and she is available to help veterans process their requests for veterans' benefits. Our Veterans' Office is located in the Bailey Student Services Building and can be contacted by phone at (828) 398-7206 or by email at veteranservices@abtech.edu.

When applying for veterans' benefits, you must meet all entrance requirements and the College's academic standards as you progress through your program. Failure to meet these academic standards of progress will result in loss of veterans' educational benefits.

More information about the specific requirements to receive veterans' benefits can be found on our website by going to our website abtech.edu. Click "Student Resources" at the top right, select "Veterans Services" from the menu, then select "[Benefits at A-B Tech](#)" on the left.
