How to send placement test scores to A-B Tech

EdReady Scores

If you've taken an EdReady, NC-DAP, or Accuplacer within the last ten years at another school, you can contact that school and ask them to email or mail your placement test results. If you live far away from A-B Tech and would benefit from taking a placement test at a community college closer to you, you can have your test scores sent to us at:

A-B Tech Community College

ATTN: Testing Center

340 Victoria Road

Asheville, NC 28801

Or by email: testingcenter@abtech.edu

PLEASE NOTE: Emailed placement test scores are only accepted when sent directly from another school.

Alternate Placement Assessments

A-B Tech accepts several alternate placement tests if the scores are less than ten years old and meet minimum score requirements.

SAT Scores

SAT scores must be ordered through CollegeBoard, the company that administers SAT tests. Scores can be ordered online at sat.collegeboard.org/scores. From that page, select "Sign In to Student Score Reports". A-B Tech's school code on the SAT website is 5033. More information about sending scores to colleges can be found on the CollegeBoard website.

ACT Scores

ACT scores must be ordered directly from act.org. Scroll down and select "Your Scores" under "More Information About the ACT Test". From this page, select "Scores" at the top, then select "How to Send Scores" from the dropdown menu.

They can be ordered online, by phone, or by mail. A-B Tech's school code on the ACT website is 3063.

Or by email: testingcenter@abtech.edu

PLEASE NOTE: Emailed COMPASS test scores are only accepted when sent directly from another school.
