Dental Clinic

Summary

Overview of the Dental Hygiene Clinic at A-B Tech

Overview of Services

Our Dental Clinic provides general dentistry services and is staffed by Clinic Dentists and Dental Assisting Instructors. The services provided are routine dental cleaning, periodontal (deep) cleaning, fluoride treatments, sealants, and digital dental radiographs. You can find information by going to abtech.edu/dentalclinic.

Appointments

The clinic is by appointment only. You can schedule an appointment by calling (828) 398-7255 or emailing dental@abtech.edu.

If the demand for appointments exceeds the number of available appointments, we can't guarantee that all interested patients will be able to get an appointment.

Your first visit is a 45-minute screening (evaluation) appointment. You will be established with a student and scheduled on another day for your cleaning appointment. The cleaning appointments are two and a half hours long and

could require more than one visit.

Location

The Dental Clinic is located at 10 Genevieve Circle, in the Allied Health and Workforce Development Building on the Asheville campus.
