Course Section Codes/Identifiers in Self-Service

Summary

A list of the codes/identifiers used in Self-Service when viewing course schedules

Course Section Identifiers

When viewing course schedules in Self-Service, the Section Name may include a series of codes or section identifiers in the third segment of the code. These codes indicate specific information about the course. For example, ENG 111-**OM**1 is an **o**nline **m**inimester class.

A list of these course section identifiers/codes can be found on our website by going to abtech.edu/registration and then selecting "Course Section Identifiers."

Key Words: course codes, section identifiers, identifier, course section, schedule, schedules, registration, register, designators, designators
