

# Moodle Help for Instructors

## Summary

How instructors can get help with understanding how to use Moodle

## Overview

The [Moodle Help for Faculty](#) page is your one-stop shop for support with all your instructional design, Moodle, and curriculum development needs.

Moodle and Instructional Tech Virtual Support sessions are held periodically. These sessions are designed for faculty to "drop in" and get support for their virtual courses. Join these sessions to get answers to your Moodle and instructional technology questions, including Techsmith Relay, VidGrid, Repondus (testbanks, lockdown browser, and Monitor), and much more. Faculty members can register in LearnerWeb.

If you have questions, please email [distancelearning@abtech.edu](mailto:distancelearning@abtech.edu).
