North Carolina Early Childhood Credential (NCECC)

Summary

How to obtain a North Carolina Early Childhood Credential (NCECC) through A-B Tech

Overview

Completion of EDU-119 Intro to Early Childhood Education allows students to apply for a North Carolina Early Childhood Credential (NCECC) with the North Carolina Department of Child Development and Early Education.

This course covers the foundations of the education profession, the diverse educational settings for young children, professionalism, and planning developmentally appropriate programs for all children. Topics include historical foundations, program types, career options, professionalism, and creating inclusive environments and curriculum responsive to the needs of all children and families. Upon completion, students should be able to design career plans and develop schedules, environments, and activity plans appropriate for all children.

In order to be able to register for this class, you must first complete a basic application to the College and the online version of New Student Orientation. Please log in using your A-B Tech username and password.
