Emergency Funds

Summary

Overview of emergency funds and how to apply

Emergency Funds Overview

Our Emergency grant and loan programs are funded by the A-B Tech Foundation through contributions made by community leaders, faculty, and staff who have designated their gifts to be used for student support. These programs are for sudden and unforeseen circumstances that create a barrier to staying in college. Payment will be made directly to the vendor.

How to Apply

The criteria for each of these funds can be found on the Emergency Fund Application.
