Computers Available on Campus

Summary

Information about computers available to use on campus

Location and Hours

There are computers and printers available for students to use on the lower floor of the **Don C Locke Library** (building # 6 on our campus map). These computers have ArcGIS, Adobe Cloud (Photoshop), and SolidWorks package installed as well as all Microsoft Office applications for completing assignments.

There are also desktop computers with limited software (including Microsoft Office applications) across from the circulation desk on the main floor.

Hours are listed under the “Computer Lab” section on our Hours of Operations page.

Student Printing

Information about student printing is available on our website. To add additional funds to your printing balance, gPapercut
A-B Tech username and password " from the menu on the left.

Printing Forms for a Student Services Office

If you need to print a form or document for an office in Student Services, such as a financial aid form, unofficial transcript, schedule, etc., you may use the printer in the Enrollment Lab in the Bailey Student Services Center (#5 on our campus map). If you need to print class-related materials, please use one of the computer labs.
