6. The letters following the course name give important information about the class's format, meeting times, and location. Refer to our [Course Section Identifiers](#) webpage for a full list of what these letters indicate.

## Class Search Tips

You can narrow search results based on the [Course Section Identifiers](#) used in the third segment of the course code (e.g. ENG-111-D1). To do this enter **asterisk(\*) + Course Section Identifier Code + asterisk(\*)** in the "Section (optional)" box of the search page. For example, if you wish to find a 100% online minimester section, you would enter **\*OM\*** in the "Section (optional)" box.
