

Online/Evening Health Occupation Programs

Summary

Information about the availability of online or evening Continuing Education and Curriculum Allied Health programs.

Continuing Education

Visit abtech.edu/evening-college and select the "Continuing Education" section to view the current programs available with an evening schedule.

Curriculum Programs

A-B Tech does not currently offer any curriculum (for college credit) online or evening Allied Health programs. Each program includes clinical experiences in health and public service settings in the community, as well as classroom and laboratory instruction. Students will need to be available for a varying schedule.

Key Words: Allied Health, online, evening, night, selective
