

## **Alternate Placement Tests**

### **Summary**

Overview of the alternate placement tests that can be substituted for the EdReady test

### **Placement Requirements**

Placement is required for most programs as well as for many individual classes that have prerequisites. You can read about placement on our website at [abtech.edu/placement](http://abtech.edu/placement).

### **Alternate Placement Test Options**

Some students are eligible to take an [EdReady](#) test for English placement and an [ALEKS](#) assessment for Math placement at A-B Tech. You may also substitute official scores from an alternate test taken within the last five years. We accept scores from the SAT, ACT, and Accuplacer NextGen tests. The [alternate placement test scores](#) we'll accept are available on our website.

If your scores are below the minimum requirements, you'll need to use one of the [other placement options](#) listed.

### **Send Alternate Test Scores to A-B Tech**

To have your official scores sent to A-B Tech:

- Order SAT scores at [collegeboard.org](https://collegeboard.org).
- Order ACT scores sent through [actstudent.org](https://actstudent.org).

It can take up to 7 business days for your scores to be sent and entered in your record.

You can also contact your high school to ask if your SAT or ACT scores are on your high school transcript. If they are, you can ask your high school to send your official transcript to:

A-B Tech Community College  
Attn. Admissions Office  
340 Victoria Road  
Asheville, NC 28801
