Housing Options for Students

Summary

Where students can find information about local housing opportunities

Overview

A-B Tech does not currently offer any on- or off-campus student housing; however, there are some online resources that may be helpful in your search for local housing. Please keep in mind that A-B Tech does not endorse any one housing complex or website over another.

Resources

The Asheville Chamber of Commerce is a good resource for information about living in Asheville and the local housing options. They are located at 36 Montford Ave, Asheville, NC 28801. You can view their online housing resources where you can view helpful information about relocating to Asheville.

United Way of Asheville and Buncombe County also has a helpful Buncombe County Property Supplement document with tips on searching for rentals and a detailed list of affordable properties in Buncombe County.

You can also visit our Student Resources page and Student Resources Guide

for more information. Feel free to contact our Support Services office at supportservices@abtech.edu if you have any questions about housing resources.
