

Registration Start-Date

Registration Start-Date

Summary

When registration opens for both returning and new Curriculum students

Overview

Registration dates and deadlines are posted on our website, at abtech.edu/deadlines. We encourage you to register as soon as possible for the best class availability. There is no single deadline to register.

New Students

New students register for classes during "open registration," which began on April 7, 2025 for the Summer 2025 semester. New students will be able to register on June 16, 2025 for the Fall 2025 and Spring 2026 semesters. If new students attempt to register for a class before open registration begins, they will get an error message that says they have "no priority registration time."

Current and Returning Students

Registration began on March 31, 2025 for the Summer 2025, Fall 2025, and Spring 2026 semesters. Returning students are given a specific "priority

registration time" when they can begin registering, based on the number of credits they've taken at A-B Tech.

View Your Registration Time in Self-Service

1. Go to abtech.edu, select "online Services" at the top of the page, and click "Self-Service."
2. Log in with your [A-B Tech Microsoft Account](#).
3. Click on the "Registration" tile on the Self-Service Main Menu page.

4. Select the semester you want to register for (Fall, Spring, or Summer).
Your registration time will appear below that.

The screenshot shows the ABTech Community College Self-Service portal. The top navigation bar is maroon with the ABTech logo and links for Academics, Registration, and Schedule & Register. The main heading is 'Schedule and Register for Classes' with a search bar. Below this, there's a section for the Advising Office with tabs for Schedule, Timeline, Advising, and Petitions & Waivers. The 'Schedule' tab is active, showing a navigation bar with left and right arrows, 'Summer 2022', and a plus sign. Below this is a 'Remove Planned Courses' button. At the bottom, a blue box displays the registration period: 'Your registration period for Summer 2022 begins on [date] at [time]' with a 'Refresh' button.

Priority registration times are added each semester, typically around the time that the class schedules are published in Self-Service. If you have any questions about your registration time, please email info@abtech.edu.

Students who are enrolled in an academic program must consult their advisor every registration period and set up a course Plan before registering in Self-Service.

Students with disabilities are offered priority registration, which is typically held the first week of regular registration. To request an appointment with Support Services, please email supportservices@abtech.edu.

Key Words: register, registration dates, start date, start-date, open registration, my registration time, registration priority
