American Sign Language (ASL) Courses

Summary

An overview of American Sign Language courses offered through A-B Tech

Continuing Education Courses

A-B Tech offers beginning American Sign Language courses through our Continuing Education Division. These courses are not for college credit. To view a Continuing Education Catalog, visit abtech.edu/catalog and select "Continuing Education Schedule" on the left. Sign Language classes are in the Community Enrichment section.

You can also view the most up-to-date class schedule and register online at abtech.edu/coned-registration.

To view online language classes, visit ed2go.com/abtech and select the "Language" category from the "Courses" link at the top. To inquire about in-person American Sign Language classes, please email communityenrichment@abtech.edu.

For any questions about our Continuing Education American Sign Language classes, call (828) 398-7369 or (828) 398-7134.
