Summary

Writing Center services, hours, and online tutoring

Writing Center Services

The tutors in the <u>Writing Center</u> can help you with planning, organizing, drafting, and revising papers and reports. The Writing Center can also help with resumés, scholarship letters, and other writing projects not associated with a specific class. It's a relaxed one-on-one session with an instructor or peer tutor.

Writing Center Location and Hours

The Writing Center is located in the Don C. Locke Library, Room 125 (#6 on the campus map).

To schedule an individual on-campus or remote tutoring session, please schedule an appointment online at the <u>Writing Center's calendar</u> or by calling (828) 398-7218.

Currently there are no formalized on-demand hours. Students are welcome to

check if there is an immediate appointment available, but we may not be able

to accommodate it depending on demand on a given day.

Writing Center Online

You can also get online help from the Writing Center and communicate with

a writing tutor by email. More information can be found on our website.

From the abtech.edu homepage, select "Student Resources" at the top right,

then "Center for Academic Achievement", then select "The Carolyn Lisa

Johnson Writing Center."

Tutoring Center

If you need help with basic English skills (grammar, usage, punctuation, and

sentence structure), then you'll want to see the <u>Tutoring Center</u> (TC). The TC

tutors can help you to improve your sentence skills and other fundamentals of

clear writing.
