# Bicycles, Mopeds, and Scooters

## Summary

Overview of campus policies regarding parking for bicycles, mopeds, scooters, and motorcycles

## Parking Decals

If you ride a bicycle, you do not need a parking decal to park your bike on campus. If you ride a moped, scooter, or motorcycle, you DO need to have a parking decal. The first parking decal is free, and each subsequent decal costs $10.

## Parking Rules

Bike racks are located close to most campus buildings. We encourage all students to lock their respective vehicles to a bike rack or light pole to try to prevent theft.

Mopeds are permitted to park in or near bike racks, but motorcycles are not. Any gasoline-powered vehicle *cannot* be parked in a covered area by order of the Fire Marshall.

There are motorcycle parking areas in the front Bailey Building parking lot and Dogwood parking lots.
