Step-by-step instructions for looking up your account balance and transaction history in Student Finance Self-Service

Financial Aid and Tuition Charges

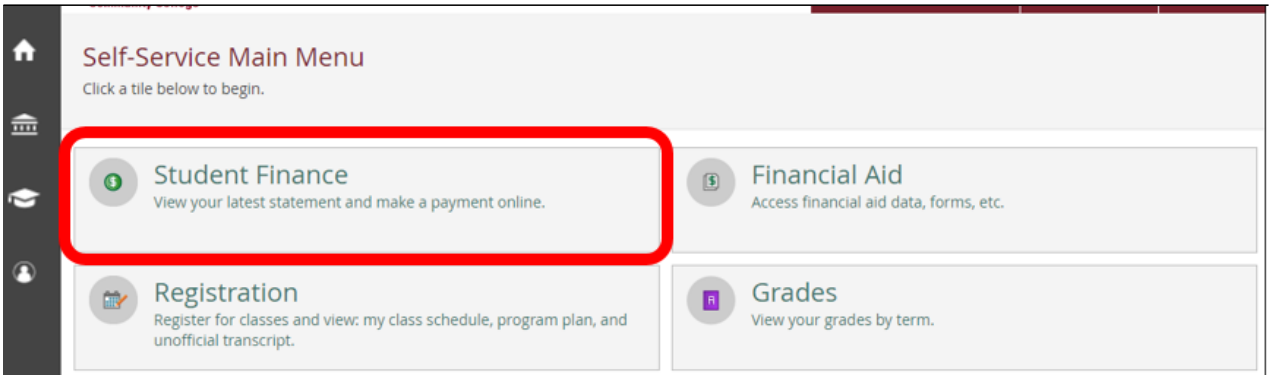

If you already have a financial aid award, you can view how much of your tuition charges are anticipated to be covered by your financial aid by logging in to your Self-Service account and clicking on the "Student Finance" tile. Detailed instructions are available below.

Detailed Instructions

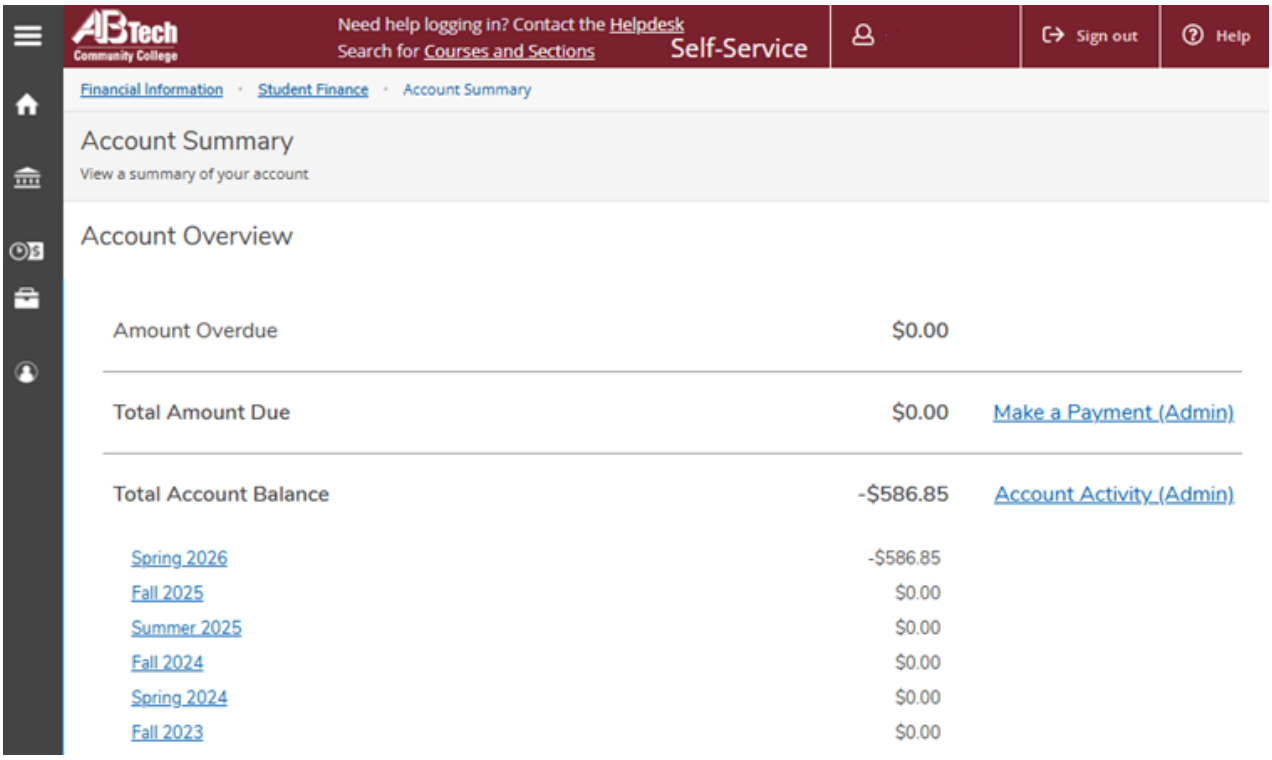

1. Go to abtech.edu, select "Online Services" in the upper-right corner, and select "Self-Service."

2. Log in using the same A-B Tech student email and password.

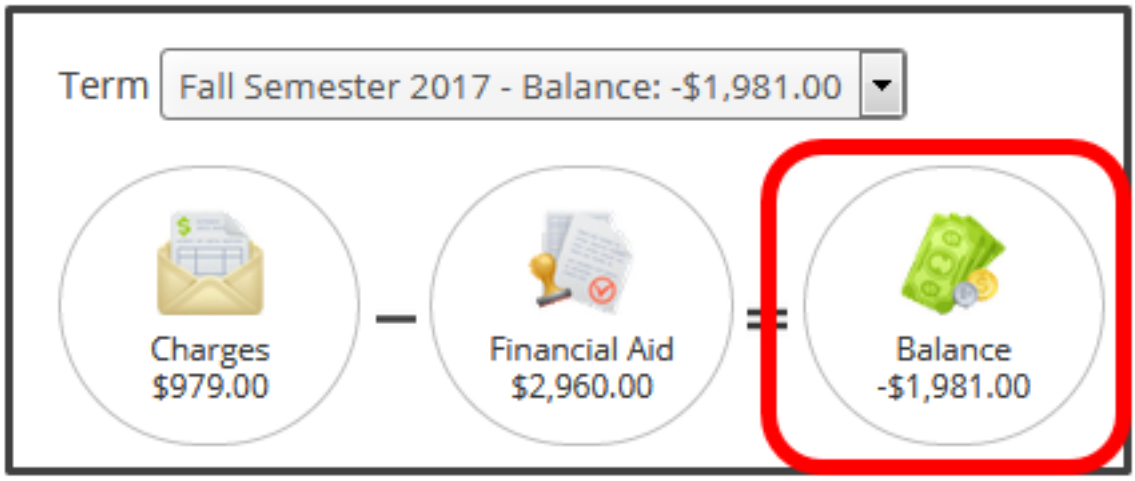

3. Click on the "Student Finance" tile on the Self-Service Main Menu.

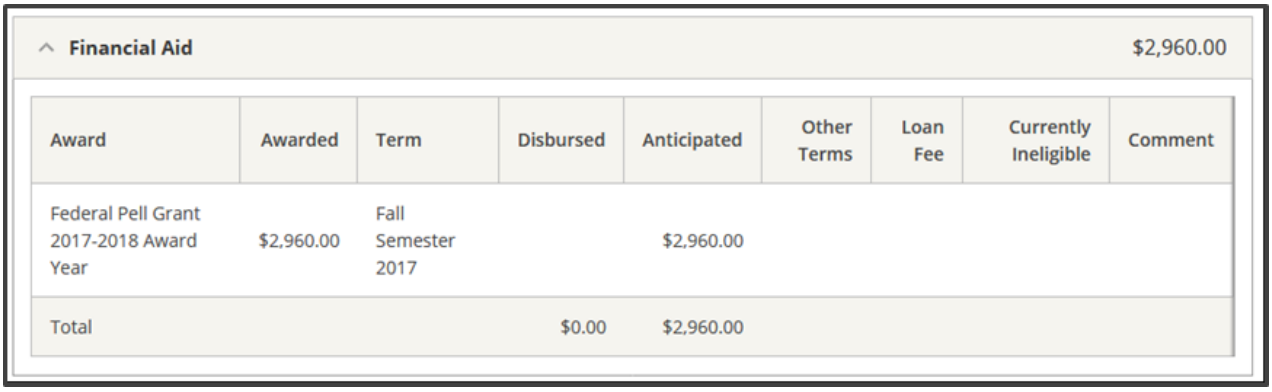

4. Click on the red hyperlink for the semester you wish to view.

5. If the balance circle amount has a minus (-) sign, that is a *tentative estimate* of what will be refunded to you by the end of the semester. Any changes to your enrollment status can change your financial aid, and many students receive refunds in multiple disbursements at different points in the semester.

6. Under the balance circle, click on the headings for more information about "Charges," "Financial Aid," "Payments," and "Refunds" (if applicable).
