View Additional Course Sections

Summary

How to find other sections, if a course on your plan in Self-Service is full or waitlisted

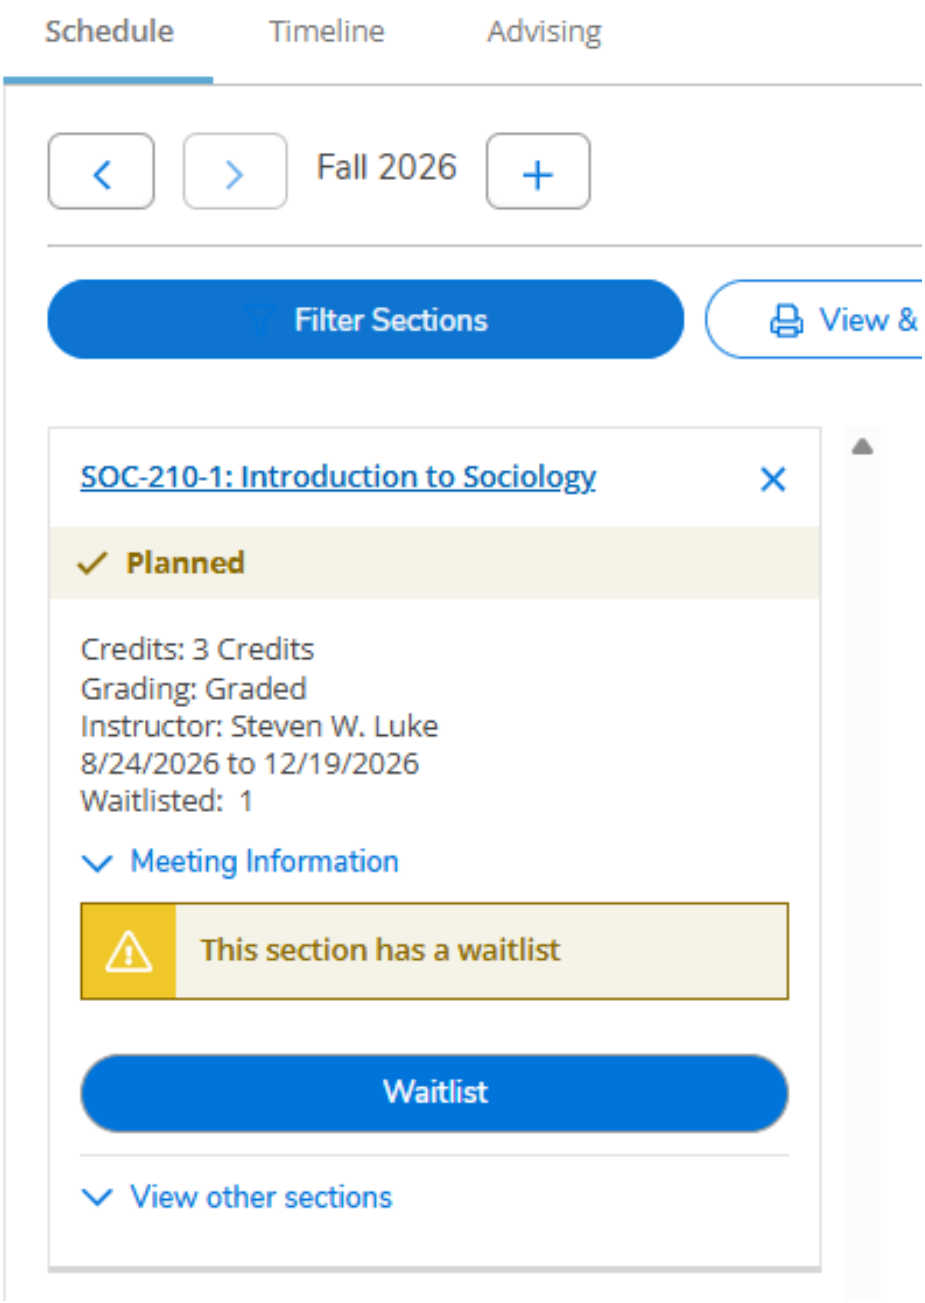

How to Register Online

Course plans are available to view in Self-Service. A full registration tutorial for curriculum (college credit) students can be found in a separate article linked below.

Register for Classes Online

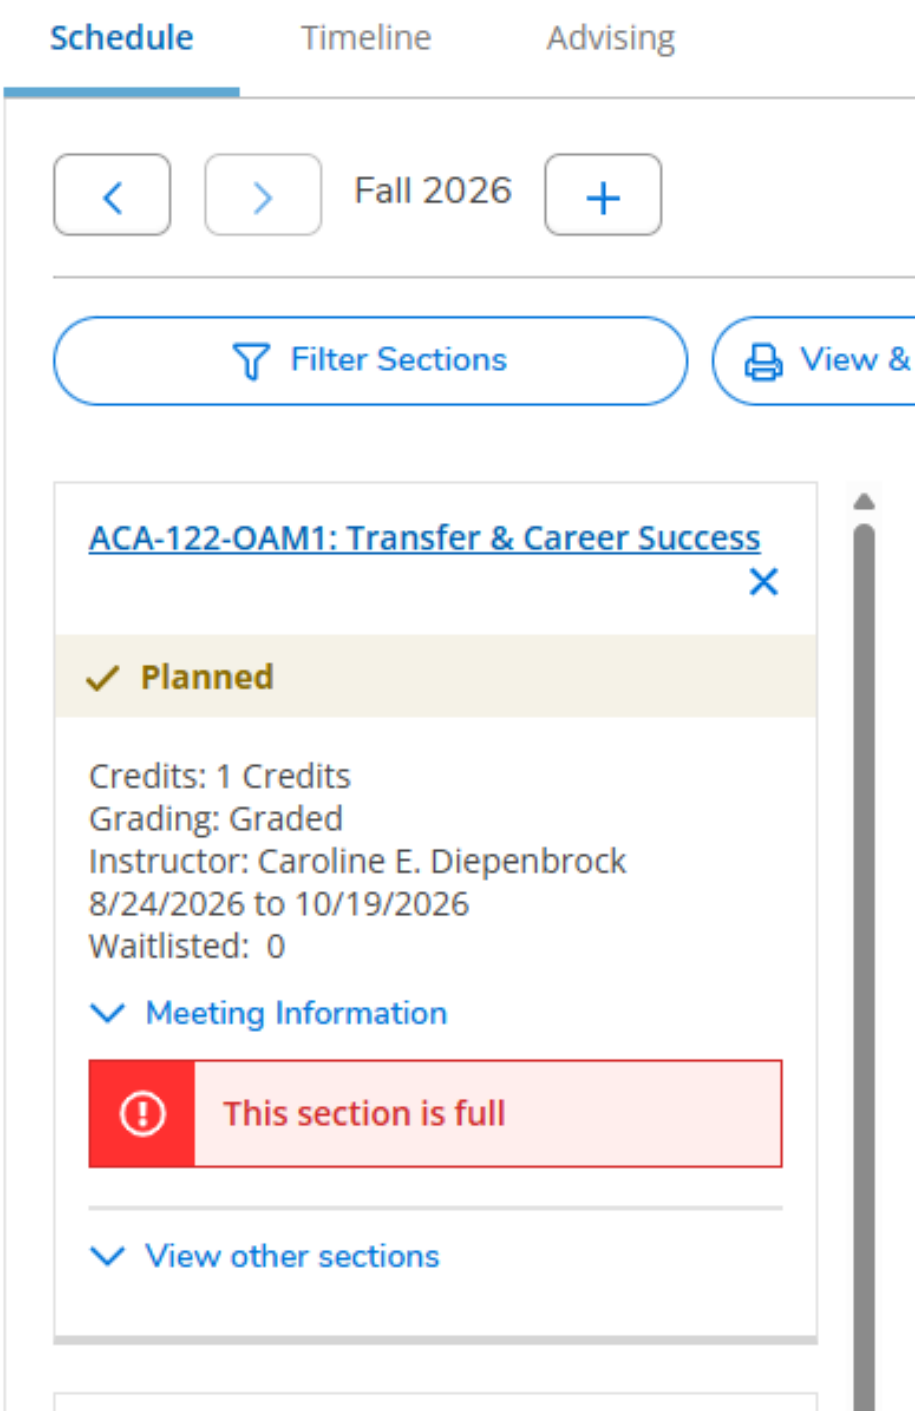

If Your Planned Course is Waitlisted

If a course section on your plan has a waitlist, it is possible to add yourself to that waitlist and also register for another available section. To check for available sections, select "View other sections" under the "Waitlist" button.

If Your Planned Course is Full

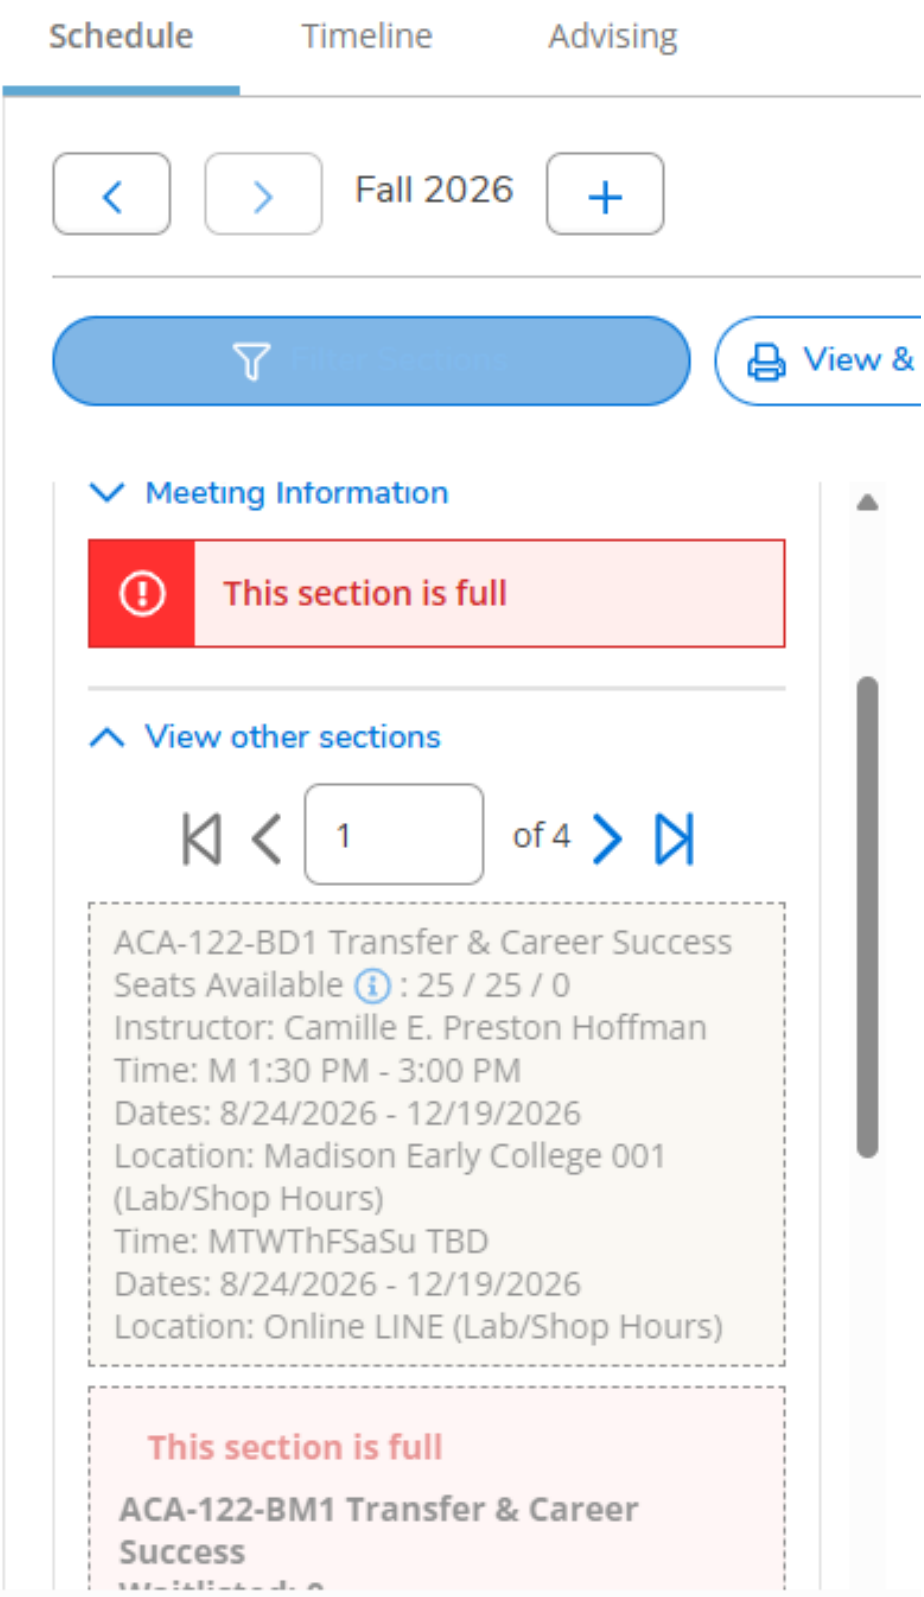

If a course section on your plan is full, you may select "View other sections" under "This section is full" to check for available sections.

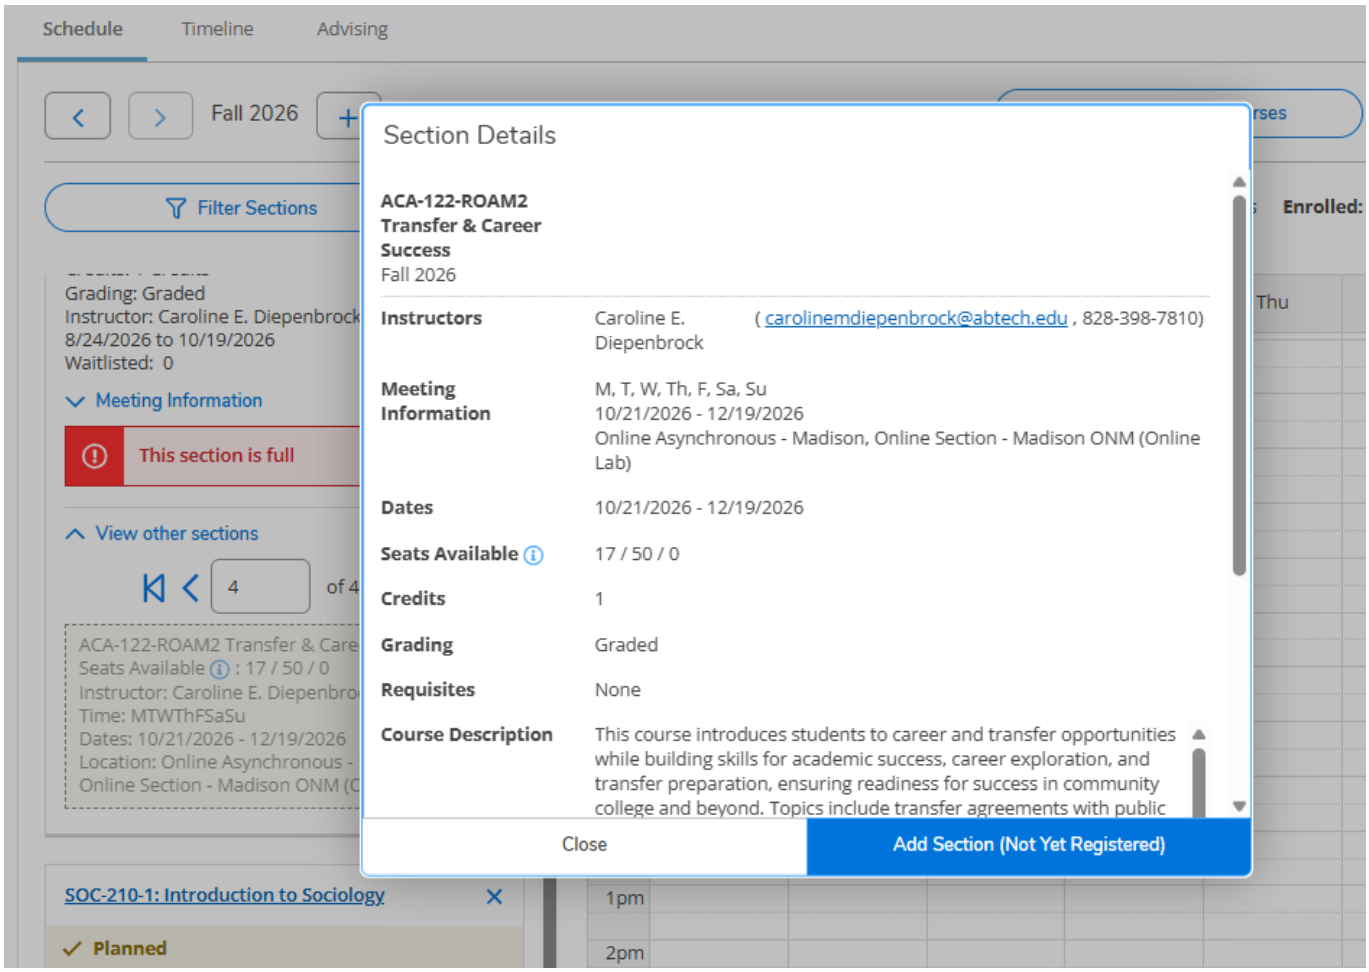

Add a Section to Your Plan

Click the section to see additional information. To add the new section to your plan, select "Add Section (Not Yet Registered)". There may be multiple pages of sections. Click the arrow at the top of the list of sections to see the

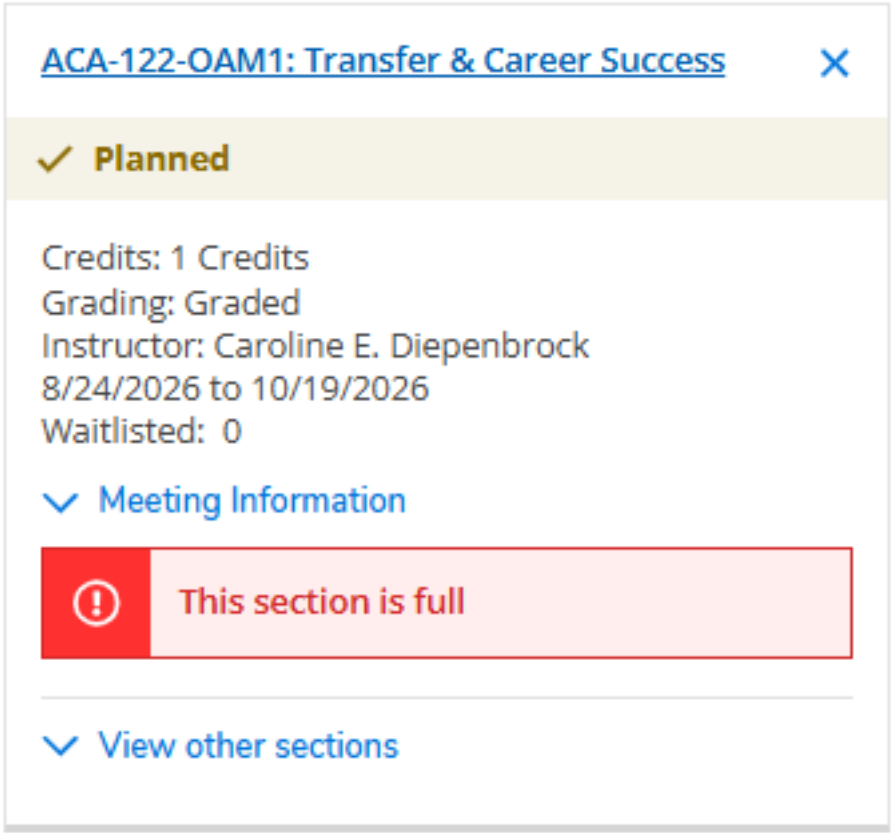

next page.

Finalize Registration

If you add a new section to your plan, remember to finalize your registration by selecting the "Register" button.

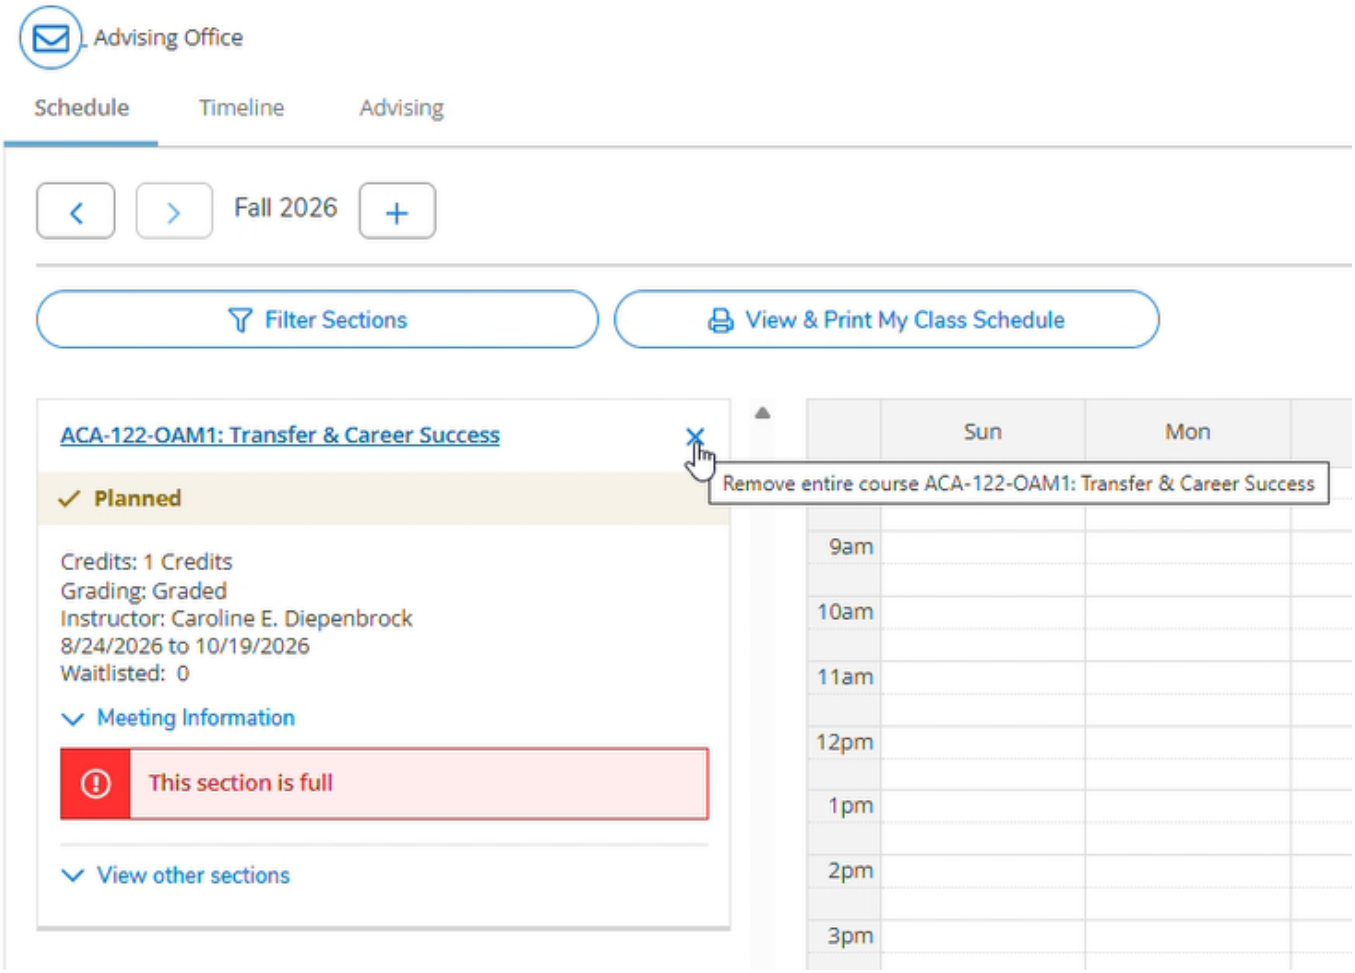

Removing Courses

To remove the original section from your plan, click the "x" in the right

corner.

Need Help?

If there are no other sections available, please contact your advisor for guidance. For help with registering for classes in Self-Service, contact the Information Center at (828) 398-7900 or info@abtech.edu. Be sure to send the email from your student email account.

Virtual Enrollment Lab Appointments are available to provide assistance. Walk-in services are also available in the K. Ray Bailey Student Services Building (#5 on our campus map). No appointment is needed.
