Campus Safety and Security Report

Summary

How to view the A-B Tech Campus Safety and Security Report

Report Overview

The A-B Tech Police and Security Department prepares a "Campus Safety and Security Report." The report is designed to provide important information about campus safety and security and contains statistics about crime on campus.

The most recent report can be viewed on our website by selecting "About" at the top of abtech.edu, clicking on "Campus Safety," then clicking "Campus Safety and Security Reporting" on the left side of the page.

The report can also be obtained from the A-B Tech Police and Security Department, which is located in the Event Center (#18 on our campus map) on the Asheville Campus.

Key Words: safety, security, reporting, report, crime
