

Quality Points

Summary

How A-B Tech evaluates the quality points of grades, also found in the [Curriculum Catalog](#), page 81

Calculation Overview

At the end of each semester, quality points are assigned in accordance with the following formula:

Letter Grade	Quality Points Per Credit Hour
A	4 quality points per credit hour
B	3 quality points per credit hour
C	2 quality points per credit hour
D	1 quality point per credit hour
F	no quality points
U	no quality points

Quality ratings are determined by dividing the total number of quality points by the number of hours attempted (excluding grades of "X," "I," and "W"). A ratio of 2.00 indicates that a student has an average of "C."

Key Words: GPA, grades, quality points, quality, points, grading, credits, points per credit hour
