Summary

How to order transcripts from A-B Tech

Instructions for Ordering

Detailed instructions for ordering and paying for transcripts can be found on our website at abtech.edu/transcripts.

Curriculum Transcripts

To order a curriculum (college credit) transcript, select "[Order and Pay for Transcripts](#)", then select "**Ordering your own credentials or academic records**" or log in with your existing Parchment username and password.

The site asks you to include your student ID number. As long as your other personal information is correct, your student ID number is not required in order to process your transcript request.

Unofficial Curriculum Transcripts

An unofficial transcript is available in Self-Service. Please see the link below for instructions on how to access your unofficial transcript.
