

## Cooperative Innovative High Schools

### Summary

Overview of the Cooperative Innovative High Schools

## Cooperative Innovative High Schools

These are small schools that have partnered with A-B Tech. Two of these schools are in the Buncombe County School System, and one is in the Madison County School System.

## Early Colleges

In an early college, students can earn a high school diploma and an associate's degree simultaneously. Students **start in ninth grade** and can complete the program in five years.

- Buncombe County Early College, which is located on the main Asheville campus
- Madison Early College High School, which is located in Mars Hill

## Buncombe County Center for Career Innovation

A-B Tech also partners with Buncombe County Center for Career Innovation, which is a career-focused school. Any rising 9th and 10th grade student who

resides in the Buncombe County Schools district may apply.

## **Registration**

If you're interested in registering for one of these schools, call the appropriate number below.

- **Buncombe County Early College** (student must be a rising ninth grader) – (828) 232-4123
- **Buncombe County Center for Career Innovation** – (828) 232-4123
